

Mood Board for:
Samuel Mayweather

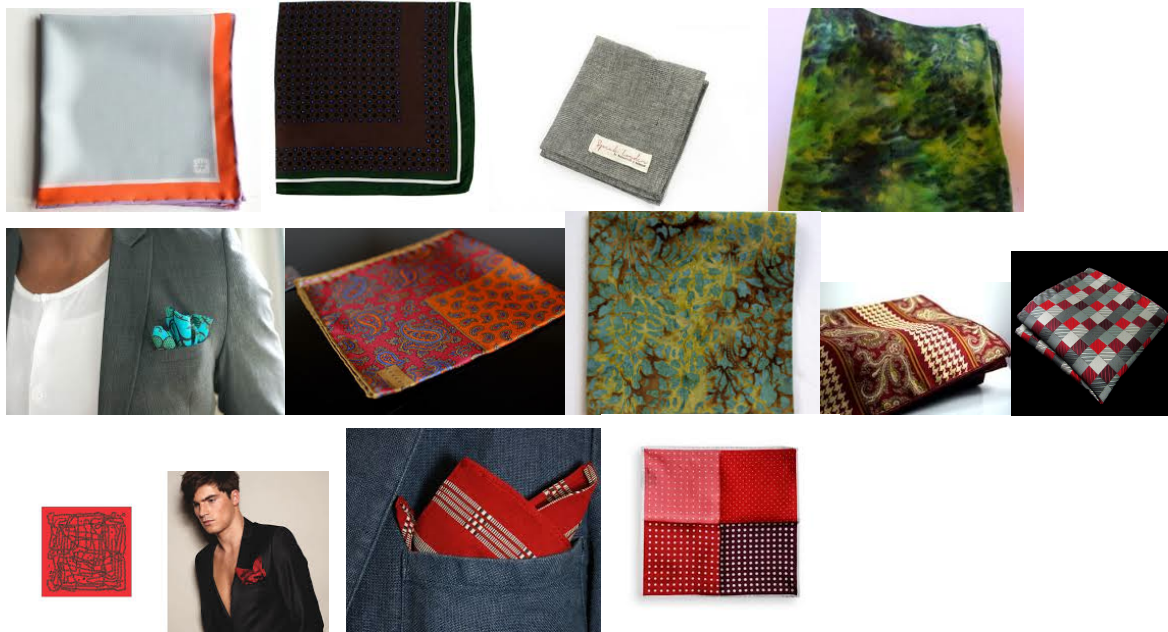

Exquisite color combinations for your rich tone of skin.

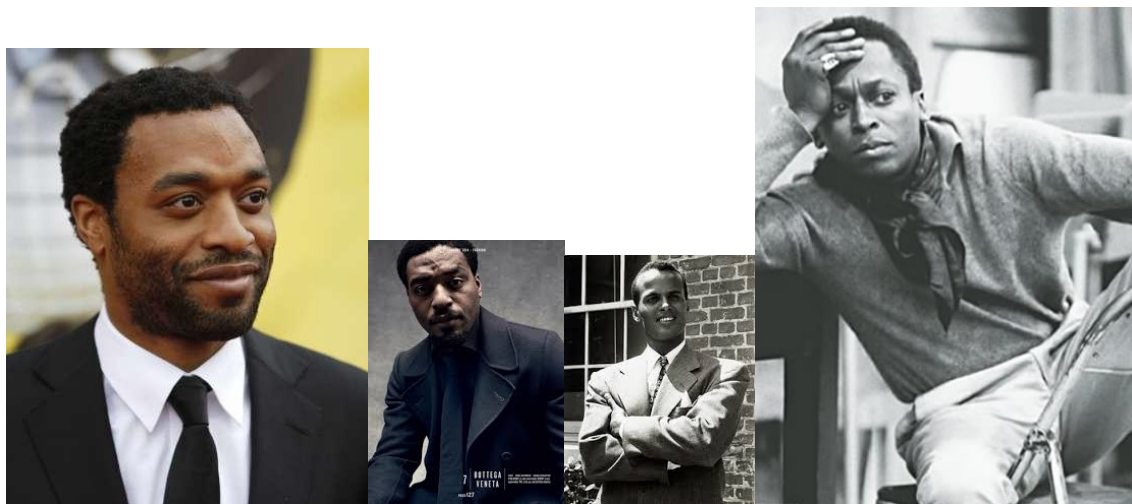

Pocket Squares - Subtle yet powerful touches that say style and panache.

Style Icons with a similar debonair way that you have. Classy men of action, like you, it is only fitting to incorporate some elements of their style.

The Suit - Classic 50's style. Great for your body type. Easygoing yet powerful.
Strong and versatile.

The Shirt- Colors that include your favorite colors and demonstrate *individual style* through pattern, texture and finesse, inspired by the design of your glasses.

Shoes

- Rustic, weathered, they make a statement of stability, solid foundation, a man who is going places and has been on a journey. Classic, with a manly elegance.

Final Touches.

Wood. To compliment your glasses.

Grooming options to maximize your awesome versatile goatee
(or shaven if you prefer).

There are also gray goatees included if you wanted to try color.

Notes: Gotta have 1950's accessories like a cig case. If you don't smoke, might I suggest candy cigarettes for a humorous effect? :)
